**2008 Tour Testimonial:** "I have been blessed to have taken several tours to foreign locations, and my recent trip with Bridget Gallagher Tours was the most pleasant. I was truly impressed with Maureen and Don Call's professional yet warm and gracious leadership. The trip was well organized with wonderful local activities and excursions, yet provided ample time for resting, shopping and personal sightseeing as well. I would not only eagerly recommend a Bridget Gallagher tour to others, but would definitely enroll in another for myself. The Calls are proud of their Irish heritage and share it with others as though everyone was part of their own family." ~Sharyn Faunt
